## WESTSIDE CHILDREN'S CENTER

**Westside Children's Center** (WCC) has been serving children in need for over 20 years. Pockets of poverty exist within west Los Angeles, where in certain areas, up to 29% of the population is currently living below the poverty line. Serving approximately 3,000 children and families annually, WCC addresses a range of issues facing children and families in our community by providing the following services:

- Early Care and Education
- Child Welfare: Family Preservation and Foster Care and Adoption
- Special Needs
- Health Education and Mental Health Referrals

Our mission is to support underserved, vulnerable children and their families in west Los Angeles County by providing a full range of crucial, multidisciplinary services. Your support allows us to continue to strengthen the families within our community.
